Freeware Windows 173 MB More votes needed Blade & Soul features a combination of martial arts-inspired combat and qinggong in an open-world environment.. I don't wanna be rude (I also made the terrible mistake of spending 2000\$ on a piece of crap Mac some years ago, then I was compelled to build a budget PC for only 500\$ since I was out of cash), but next time, before buying some useless piece of junk with a cool apple sign on it.
