

[Knowledge IS Power: Teaching Teens About Junk Food Promotes Healthy Eating Habits – NaturalNews.com](http://NaturalNews.com)

A news article snippet from FOX NEWS digital. The background is a photograph of two people eating pizza. The text is overlaid on the image. At the top, it says "HEALTH · Published September 3". Below that is the main headline: "Teen's junk food diet caused him to go blind, study reveals". Underneath the headline is a smaller text block: "The 14-year-old fussy eater complained of tiredness and was provided guidance on ways to improve his diet." There are two FOX NEWS digital logos: one in the bottom left corner of the image area and one tilted logo on the right side of the image area.

HEALTH · Published September 3

## Teen's junk food diet caused him to go blind, study reveals

The 14-year-old fussy eater complained of tiredness and was provided guidance on ways to improve his diet.
